Exit
Strategy**

Market size: We buy companies which have a large market size.

Market Share: We buy companies which are leaders in their segment.

Margin of Safety: We buy companies which are available at reasonable valuations.

We Prudently Exit when:

- There is a need to rebalancing weights for risk management purposes
- A company no longer meets our investment criteria
- We are not comfortable with the valuations
- The earnings growth prospects have punctured
- There are better investment opportunities
