AAA Investment Philosophy

Market size
Large and expanding opportunity.

Market Share
Structural ability to gain dominance.

Margin of Safety
Valuation and balance sheet discipline.

Diversification
To reduce company/sector specific risk.

Sizing Discipline
Dynamic position sizing based on conviction, and risk.

Disciplined Exit
Driven by rebalancing, and growth/valuation concerns.

The philosophy is designed to endure across market cycles, with decisions guided by long term conviction rather than near term market signals

What We Look In The Company

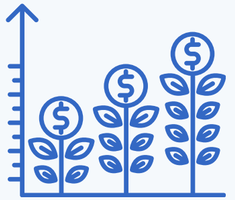

GREAT MANAGEMENT

We seek companies that are led by a competent management team, that are best-of-breed within their sector and have some defensible characteristics—i.e. patents, infrastructure, cost competitiveness, brand, etc. They have focused approach with efficient capital allocation.

MARKET INNOVATION

We invest in well-established companies that are breaking new ground, whether it's through exploring untapped markets or creating entirely new products and experiences that address consumer needs in new ways.

GROWTH POTENTIAL

We invest in companies that will capitalise from emerging business opportunities, and hence, they are expected to grow faster than the underlying economy. The faster earnings growth is key to our investments.

Capitalising Niche Business Segments

Product Specilization

Niche companies/segments specialise in a product or service and control a small but very profitable niche.

Value Added Segments

Niche players are into value added products and services and they respond to competition with innovation and higher quality products.

Small To Big

We believe that small companies operating and dominating in niche areas can become bluechips of tomorrow.

> Few examples: Contract research, staffing services, express logistics, speciality chemicals, Specialised engineering services, etc.
